**The Most Reverend
Bishop Joseph R. Cistone**

THE MOST REVEREND JOSEPH R. CISTONE was installed as the sixth Bishop of the Catholic Diocese of Saginaw in July 2009. A native of Philadelphia, he served there as Vicar General and Vicar of Administration under Cardinal Anthony Bevilacqua and Cardinal Justin Rigali. During the time of Bishop Cistone's service, both Cardinal Bevilacqua and, later, Cardinal Rigali served as Chairman of the United States Conference of Catholic Bishops (USCCB) committee on Pro-Life Activities.

During his first six months as Bishop of Saginaw, Bishop Cistone led a group of nearly 400 teens and adults on a pilgrimage to Washington D.C. for the annual March for Life. In Washington, Bishop Cistone joined with hundreds of thousands of prolife supporters who marked the anniversary of Roe v. Wade by marching in peaceful opposition to the legalization of abortion.

Bishop Cistone serves on the Board of Directors for Catholic Relief Services. Catholic Relief Services assists impoverished and disadvantaged people overseas as well as promoting the sacredness of human life and the dignity of the human person.
